

In the Aeroplane Over the Sea (C) - Baritone Uke

C / am / F / G /

C / am / F
What a beautiful face I have found in this place

/ G /
That is circling all around the sun

C / am / F
What a beautiful dream that could flash on a screen

/ G / C /
In the blink of an eye and be gone from me

am / F /
Soft and sweet, let me hold it close and

G / C / am / F / G /
Keep it here with me

C / am / F
And one day we will die and our ashes will fly

/ G /
From the aeroplane over the sea

C / am / F
But for now, we are young, let us lay in the sun

/ G / C /
And count every beautiful thing we can see

am / F / G /
Love to be in the arms of all I'm keeping here

C / am / F / G /
With me

(Bridge)

am / F / C / G /
am / F / C / G / / /

C / am / F
What a curious life we have found here tonight

/ G /
There is music that sounds from the street

C / am / F
There are lights in the clouds, Anna's ghost all around

/ G / C /
Hear her voice as it's rolling and ringing through me

am / F / G /
Soft and sweet, how the notes all bend and reach above

C / am / F / G /
The trees

am / / / F
Now how I remember you

/ / / C
How I would push my fingers through

/ / / G
Your mouth to make those muscles move

/ / / am
That made your voice so smooth and sweet

/ / / F
And now we keep where we don't know

/ / / C
Our secrets sleep in winter clothes

/ / / G
With one you loved so long ago

/ / / am / / /
Now we don't even know his name

F / / / C / / / G / / /

C / am
What a beautiful face

/ F /
I have found in this place

/ G /
That is circling all around the sun

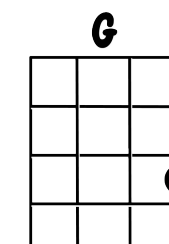

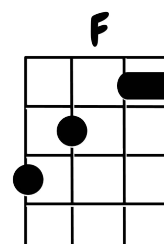

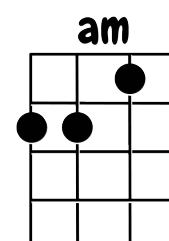

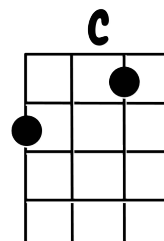

C / am
When we meet on a cloud,

/ F /
I'll be laughing out loud

/ G / C /
I'll be laughing with everyone I see,

am / F /
Can't believe how strange it is

G / C / am / F / G / C
To be anything at all
