This is the first day of my life

I went out in the rain, suddenly everything

Changed, they're spreading
D7 / G G7
Blankets on the beach

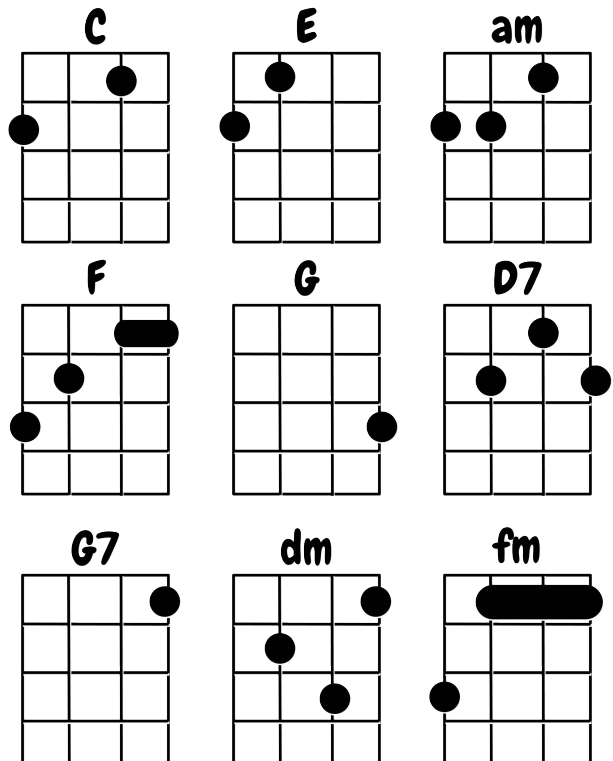

C E am /
Yours is the first face that I saw
F G C /
I think I was blind before I met you
C E
Now I don't know where I am, don't know
am /
Where I've been, but I
D7 / G G7
Know where I want to go

C G am /
And so I thought I'd let you know
F G
That these things take forever,
C E am /
I especially am slow
dm /
But I realized that I need you, and I
dm / C E am /
Wondered if I could come home
dm / fm /

C E am /
Remember the time you drove all night
F G C /
Just to meet me in the morning
C E
And you thought it was strange, you said
am /
Everything changed, you felt
D7 / G
As if you'd just woke up

G7
And you said
C E am /
"This is the first day of my life
F G C /
I'm glad I didn't die before I met you
C E am
But now I don't care, I could go anywhere
am D7 / G G7
With you, and I'd probably be happy

C G am /
So if you wanna be with me
F G
With these things, there's no telling
C E am /
We just have to wait and see
dm /
But I'd rather be working for a paycheck
dm / C E am /
Than waiting to win the lottery
dm /
Besides maybe this time it's different
dm / C E am /
I mean I really think you like me
dm / fm /
C E am /
dm / fm / C
