

I Will Remember You - Baritone Uke

Chorus:

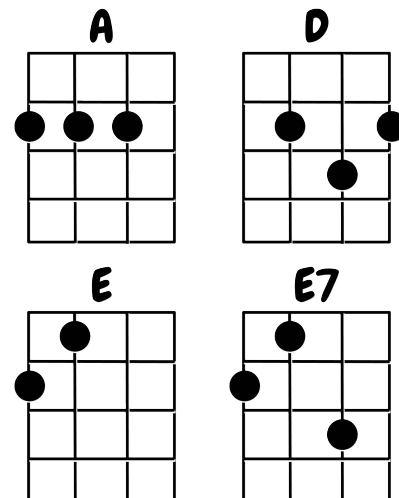

A D E /
I will remember you
A D E /
Will you remember me?
A D A D
Don't let your life pass you by
A D E7 A
Weep not for the memories
A D E7 A

A D E /
I'm so tired but I can't sleep
A D E A
Standing on the edge of something much too deep
A D E /
It's funny how we feel so much but cannot say a word
A D E7 /
Though we are screaming inside, we can't be heard

(Chorus)

A D E7 A
A D E /
I'm so afraid to love you, but more afraid to lose
A D E A
Clinging to a path that doesn't let me choose
A D E /
Once there was a darkness, a deep and endless night
A D E7 /
You gave me everything you had, oh, you gave me light

(Chorus) x2

Note on E vs. E7:

In this song, the two chords serve the same purpose: To resolve back to A. You may find that one or the other fits better with your ear in different parts of the song.

Play with it and see what you like. Play with timing and strumming patterns.

This song leaves a lot of space for the performer to try things.
